

Pay-Per-View Channel Relocation

REMINDER

All Cisco IRDs currently receiving SD PPV channels iN1, iN2, iN3, SDPPV, PPV en Español, Hot Choice, and Events Barker must be re-tuned to satellite SES-3, transponder 8 by February 22, 2019.

January 28, 2019

Dear Affiliate,

Our simulcast period to transition iNDEMAND's Standard Definition (SD) Pay-Per-View (PPV) channels to their new location on satellite SES-3, transponder 8, began today and will conclude on Friday, February 22.

The encryption and modulation schemes we use to distribute the SD PPV channels remain unchanged, and all satellite Integrated Receiver Decoders (IRDs) currently receiving our SD PPV channels may be re-tuned to the new location. *For those who have not yet done so, please return the enclosed authorization form to authorizations@indemand.com prior to retuning your existing IRD.*

- **Simulcast Period (January 28 – February 22):** This is the four-week simulcast period for systems to re-tune IRDs and receive SD PPV channels on SES-3, transponder 8.
- **February 22:** PPV channels on satellite AMC-11, transponder 3 will be discontinued.

The following daily maintenance windows have been established during the simulcast period when no programming is scheduled on any of the SD PPV channels. Please consider transitioning to the new location during one of these times to ensure PPV customers are not impacted.

- Monday 1/28, 2/4, 2/11 and 2/18: 07:00 AM – 08:00 AM ET
- Tuesday 1/29, 2/5, 2/12 and 2/19: 08:00 AM – 09:00 AM ET
- Wednesday 1/30, 2/6, 2/13 and 2/20: 09:00 AM – 10:00 AM ET
- Thursday 1/31, 2/7, 2/14 and 2/21: 10:00 AM – 11:00 AM ET
- Friday 2/1, 2/8, 2/15 and 2/22: 11:00 AM – 12:00 PM ET

Note: The distribution of iNDEMAND's PPV channels on the HITS platform on satellite SES-11 is unaffected by this change.

Additional information regarding the upcoming discontinuation of our SD Sports channels are contained on the following pages.
